Parent/Guardian and Student Notification of Transfer of Rights Due to Age of Majority

NAME OF CHILD	DATE OF BIRTH	DATE
---------------	---------------	------

Dear

and

(Student's Name)

When a student with a disability reaches 18 years of age (the age of majority under State law) all educational rights transfer from the parent(s)/guardian(s) to the student. The Individuals with Disabilities Education Act (IDEA) requires that both parent(s)/guardian(s) and the student receive notice of the transfer of educational rights one year prior to the student's eighteenth birthday. However, the parent(s)/guardian(s) will continue to receive the ten day notice prior to the date of any special education meeting after the student turns eighteen.

On the date of age of majority, all rights pertaining to the special education program/services shall transfer from the parent(s)/guardian(s) to the student unless the school district is otherwise notified.
